

UMF™ CERTIFIED MANUKA HONEY

HONEY FOR WELLNESS

Manuka honey takes the benefits of honey to the next level. Used widely as part of wellness routines, this heavily researched natural sweetener is as rare as it is unique.

HOW IS MANUKA HONEY DIFFERENT FROM REGULAR HONEY?

- New Zealand sourced
- Richer & earthier taste
- Rare varietal
- Darker color
- Used as part of wellness routines
- Thicker texture

WHAT MAKES NATE'S MANUKA HONEY DIFFERENT?

- UMF™ certified
- Genuine manuka
- Verified MGO levels
- 100% pure honey
- Mono-floral
- Clean read of pesticides & antibiotics
